WORK EXPERIENCE

- **Data Analyst, Internship** From June, 2025 - Present
V S Information System Pvt Ltd
As a Data Analyst Intern at VSIS, I optimize SAGE 300 data using SQL and Power Query. I build robust data models and UX-friendly Power BI dashboards to drive informed decision-making.
- **Data Analyst** From Feb, 2025 - Present
Freelance
Transforming data into actionable insights for SMEs & startups. Hands-on experience in SQL, Python, Tableau, and Excel. Skilled in data cleaning, visualization, KPI tracking, and process optimization. Delivered reports, dashboards, and strategic recommendations to drive growth and efficiency.
- **Student Counselor** From Sep, 2024 - April, 2025
Esof Metro Campus - Kandy Branch
Guided students in academic and career decisions, managed enrollment processes, provided personalized counseling, and fostered strong relationships to ensure student satisfaction and institutional success.

EDUCATION
